About the Speaker: Dr. Ty Talcott

For twenty years Dr. Talcott was a private practicing chiropractor. His career passion is to teach others how to improve their life and business. His study of the mind, personal relationships, and staff relationships, along with his extensive business and marketing experience create the perfect background to produce a powerful consulting approach for assisting others in obtaining personal and business growth. His ability to take large complex issues and repackage them in small digestible bits has caused him to be dubbed "The Great Simplifier". Dr. Talcott now spends full time assisting chiropractors in bringing their unique forms a health care to the people of the world.
